Charity of the Year

WHO WE ARE & WHAT WE DO

Chailey Heritage Foundation is one of the UK's leading centres for young people with neurodisabilities. We stand at the leading edge of pioneering approaches, techniques and technologies to empower and enrich every young person's life.

Chailey Heritage Foundation support hundreds of young people and their families every year by providing education and care through our school, residential services and community services.

The right support makes a huge difference to unlocking the potential of young people with the most profound neurodisabilities and health needs. Nominating us as your Charity of the Year will enable us to invest in specialist equipment and facilities needed to help the young people here learn, enjoy new experiences and achieve their goals.

Education

An Ofsted 'Outstanding' special school for 3-19 year-olds.

Residential

Boarding options for pupils and a transition service for young adults up to 25 years old.

Community Care

Range of on-site services and an outreach service for young people in the community.

Volunteering

We have lots of volunteering opportunities on offer from assisting with our riding service to attending our Fundraising events. Find out more.

Employee fundraising

Come up with your own challenge to raise money for us. You could hold a bake sale, a sponsored silence or a quiz night. Let us know your creative ideas.
