Support our farm and help young people with complex physical disabilities.

Patchwork Farm is a therapeutic care farm based at Chailey Heritage Foundation. This wonderful outdoor learning environment enables young people to get hands on and learn about a range of farm animals including donkeys, pigs, goats, sheep, guinea pigs, chickens, ducks and tortoises.

We need continued support to cover the costs of Patchwork Farm, helping with feeding and caring for all the animals.

Could 'ewe' help?

You can sponsor an animal from as little as £2 per month.
