Top Tips for Your Fundraising

If you're thinking of holding your own Big Chailey Picnic but aren't sure how to raise funds from your event, here are a few ideas to get you started.

 Sell tickets to the event or ask for donations on the day. Be clear with your guests so they come with fundraising in mind.

 Make jam or chutney to sell at the event, using our Big Chailey Picnic jam jar labels to sweeten the deal. Experiment with unique flavours to make it more interesting.

 Raffles are a great way to raise money. Sell tickets at your picnic and draw the winner on the day. Ask friends or local businesses to donate prizes.

 Entertain your guests with some games. Competitions like 'guess the weight of the cake' or 'guess the name of the teddy bear' always go down a treat. Set up prizes for the winners and ask for a small donation to take part.

 Have a collection bucket or tin out on the day. You could be surprised how generously people give with the help of a subtle nudge! Contact the Fundraising Team to get your bucket or tin.

Want to talk through your ideas? Please call for a chat on 01825 724 752 or email fundraising@chf.org.uk.

Please note there are special considerations involved with raffles, collecting money and insurances. If you're unsure about anything please contact the fundraising team.
