If you have concerns over any safeguarding issues, or if you want advice on procedures to do with safeguarding, please contact any of the members of staff shown above. If you cannot find a Safeguarding Lead during the day, please ask Claire Hall at Main Reception. For out of hours, please contact the emergency bag holder.

Safeguarding concerns will be dealt with immediately. Please remember to write down your concerns as soon as possible and sign and date them, especially if you have witnessed something worrying, or there has been a disclosure made to you.

We expect that staff will use our CHF procedures for safeguarding concerns. However, please note:

If you are still worried or you have concerns which you do not feel you can report to CHF managers or the safeguarding team, or you feel your concerns are not being addressed properly, you must contact:
